Several questions were raised regarding toilets leaking, rash outbreak, overcrowding, insect and rodent problems and questionable items regarding the Sheriff's Impact Team. The Chairman responded to various questions, including a status report on the replacement of the HVAC units at the Jail and methods currently being used to cool the facility until the new air conditioning is installed. Several other items were addressed. Ms. Daye was also informed that the Iberia Parish Government has no control over the overcrowding and complaints regarding the Impact Team as these are the responsibility of the Sheriff's Department. The Chairman further advised that the Parish and the Sheriff are audited annually and all audit reports can be obtained through the Louisiana Legislative Auditor's Office.
