STANDING COMMITTEE ITEMS:

ITEM #2011-09-M (Introduced by Bernard E. Broussard, District 6) Discuss and consider an Ordinance amending Ordinance No. 2011-05-4292, adopted May 25, 2011, to adjust the 2011 millages after Reappraisal/Reassessment in order to compensate for decreases in the assessed value of personal property, as follows: (a) Public Buildings Maintenance Millage, for parishwide property, at a rate of 4.63 mills; (b) Parish Library Millage, for parishwide property, at a rate of 4.68 mills; (c) Health Unit Millage, for parishwide property, at a rate of 1.53 mills; (d) Drainage Facilities Millage, for parishwide property, at a rate of 3.18 mills; (e) Exempted Municipalities Millage (formerly known as the Criminal Tax Millage), in the incorporated areas of the Parish only, at a rate of 1.76 mills; and (f) General Parish Millage (formerly known as the General Alimony Millage), in the rural areas of the Parish only, at a rate of 3.52 mills.

A motion was made by Mr. Naray Hulin, seconded by Mr. Thomas J. Landry, that this item be forwarded to the next agenda of September 28, 2011.

Mr. Troy Comeaux expressed his concerns that the Parish would increase these taxes as his constituents have voiced their concerns to him regarding a possible increase. He stated that he could not support an increase at this time. Mr. Thomas Landry stated that he also could not support an increase at this time and suggested that the Finance Committee look at the budget to determine what adjustments "across the board" may be necessary.

Ms. Maggie Daniels pointed out that the Parish would probably not consider decreasing salaries nor would they consider cutting services at this time. Ms. Daniels stated that the Assessor has advised the Parish of the shortfall in revenues due to decreased valuations and it may necessary to make adjustments.

Mr. Bernard Broussard pointed out that the shortfall will affect six different funds and that funding is dedicated for specific purposes. Mr. Broussard stated that the General Fund may be the only fund available to adjust from Fund Balances - Previous Years.

Mr. Naray Hulin stated that the Parish has many opportunities to adjust millages in previous years in order that the revenues would not increase and choose to adjust the millages down to collect the same amount of revenue. Mr. Hulin stated that he felt it would be fair to adjust the millages upward in order to collect the same amount of revenues.

After general discussion, a substitute motion was made by Mr. Glenn Romero, seconded by Mr. Bernard E. Broussard, that an Ordinance reaffirming Ordinance No. 2011-05-4292, adopted May 25, 2011, to confirm the levy of the 2011 millages on those millages eligible for adjustment, in order to leave them at the current millage rates, as follows: (a) Public Buildings Maintenance Millage, for parishwide property, at a rate of 4.53 mills; (b) Parish Library Millage, for parishwide property, at a rate of 4.58 mills; (c) Health Unit Millage, for parishwide property, at a rate of 1.50 mills; (d) Drainage Facilities Millage, for parishwide property, at a rate of 3.11 mills; (e) Exempted Municipalities Millage (formerly known as the Criminal Tax Millage), in the incorporated areas of the Parish only, at a rate of 1.71 mills; and (f) General Parish

Millage (formerly known as the General Alimony Millage), in the rural areas of the Parish only, at a rate of 3.43 mills, be forwarded to the next agenda of September 28, 2011.

RESOLUTION NO. 2010-248

A RESOLUTION DIRECTING THAT THE PORT ROAD BRIDGE OVER THE RODERE CANAL PROJECT BE POSTPONED UNTIL JANUARY 1, 2012 DUE TO SUGAR CANE HARVESTING SEASON.

WHEREAS, the Iberia Parish Government recently awarded bids to Gilchrist Construction Co., LLC, as the Contractor for the replacement of the bridge, located at Port Road over Rodere Canal, which project is known as LTRP-CDBG Project No. ILTR-00158; and

WHEREAS, the Iberia Parish Government is schedule to close said bridge to all traffic beginning September 19, 2011 for a period of ninety (90) days, weather permitting, for the construction of said project; and

WHEREAS, with the impending start of the sugar cane harvesting season, the closure of this bridge and rerouting of traffic in this area will create a burden and hardship on the sugar cane farmers in this area; and

WHEREAS, the sugar cane harvesting season lasts through December and the postponement of this project until January, 2012 would assist the farmers of the area to transport their product in a timely manner and would not create additional delays for said farmers in the harvesting of their crops.

NOW, THEREFORE, BE IT RESOLVED, that the Iberia Parish Council does hereby adopt a Resolution directing that the Port Road Bridge over the Rodere Canal Project be postponed until January 1, 2012 due to sugar cane harvesting season.

BE IT FURTHER RESOLVED, that copies of this Resolution shall be forwarded to the Parish President, the Project Engineer and the Contractor.

BE IT FINALLY RESOLVED, that this Resolution shall become effective immediately upon adoption by the Iberia Parish Council and approval by the Parish President in accordance with Section 2-12 of the Iberia Parish Home Rule Charter.

Mr. Bernard E. Broussard suggested that the closure date coincide with the ending of grinding season to allow flexibility in the postponement of said project. All members present agreed by general consensus to incorporate this amendment.

After some discussion regarding costs payable to the contractor in

order to delay the project, Parish President Ernest Freyou stated that those costs would be approximately \$130,000 to delay the project at this point in time.

Mr. M. Larry Richard questioned what financial impact the closing of said bridge would have on farmers and requested the Administration to gather information to present to the Council at the next meeting.

The original motion was then withdrawn by Mr. Lloyd Brown.

A substitute motion was made by Mr. Thomas J. Landry, seconded by Mr. Troy Comeaux, that Resolution Summary No. 2010-248, which is a Resolution directing that the Port Road Bridge over the Rodere Canal Project be postponed until the end of grinding season, be tabled at this time.
