SECTION 8. Sinking Fund. (a) For the payment of the principal of and the interest on the Bonds and the Outstanding Parity Bonds, the Issuer shall maintain a special fund known as the "*Excess Revenue Bond Sinking Fund*" (the "Sinking Fund"), said Sinking Fund to be established and maintained with the Paying Agent or regularly designated fiscal agent bank of the Issuer. For the payment of the Bonds and the Outstanding Parity Bonds, the Issuer shall deposit in the Sinking Fund at least three (3) days in advance of the date on which each payment of principal and/or interest on the Bonds and the Outstanding Parity Bonds falls due, funds fully sufficient to promptly pay the maturing principal and/or interest falling due on such date.

(b) It shall be specifically understood and agreed, however, and this provision shall be a part of this contract, that after the funds have actually been budgeted out of the revenues of any Fiscal Year sufficient to pay the principal of and interest on the Bonds and the Outstanding Parity Bonds for that Fiscal Year, then any excess of annual revenues remaining in that Fiscal Year shall be free for expenditure by the Issuer for any other lawful corporate purpose.

(c) All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Ordinance shall constitute sacred funds for the benefit of the Owners of the Bonds and the Outstanding Parity Bonds, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

(d) All or any part of the moneys in the Sinking Fund shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added to the General Fund of the Issuer.

SECTION 9. Additional Parity Obligations. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the excess of annual revenues of the Issuer above the said statutory, necessary and usual charges, having priority over or parity with the Bonds herein authorized except that Additional Parity Obligations may hereafter be issued on a parity with the Bonds under the following conditions:

- (a) The net excess of annual revenues of the Issuer (excess of general revenues over expenditures, which shall include revenues from any source which may be transferred to the General Fund of the Issuer to pay the debt service on the Bonds) for the Fiscal Year immediately preceding the issuance of any Additional Parity Obligations must have been not less than 1.25 times the highest annual debt service requirements in any succeeding Fiscal Year on all such obligations then outstanding, including the Bonds, the Outstanding Parity Bonds and any Additional Parity Obligations theretofore issued and then outstanding which are payable from the

excess of general revenues of the Issuer (but not including obligations which have been refunded or provisions otherwise made for their full and complete payment and redemption), and the Additional Parity Obligations so proposed to be issued;

- (b) The Issuer is in full compliance with all covenants and undertakings in connection with all its excess revenue obligations then outstanding and payable from the excess of general revenues of the Issuer or any part thereof, and there are no delinquencies in payments required to be made to the Sinking Fund established and maintained for the security and payment of the Bonds and the Outstanding Parity Bonds;
- (c) The existence of the facts required by the foregoing paragraphs (a) and (b) must be determined and certified by the Director of Finance of the Issuer; and
- (d) The Additional Parity Obligations must be payable as to principal on June 1 and/or June 1 and December 1 of each year in which principal becomes due, and interest thereon must be payable on June 1 and December 1 of each year following the date thereof.

Notwithstanding the foregoing, the Bonds or any part thereof, including interest and redemption premiums, if any, thereon, may be refunded and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues that may have been enjoyed by the Bonds refunded, provided, however, that if only a portion of Bonds outstanding is so refunded and the refunding bonds require total principal and interest payments during any Bond Year in excess of the principal and interest which would have been required in such Bond Year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds issued hereunder.

SECTION 10. Budget; Audit. As long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall prepare and adopt a budget prior to the beginning of each Fiscal Year and shall, upon request, furnish a copy of such budget within thirty (30) days after its adoption to the Owners of any of the Bonds who request the same. Not later than six (6) months after the close of each Fiscal Year, the Issuer shall cause an audit of its books and accounts to be made by the Legislative Auditor or an independent firm of certified public accountants showing the receipts and disbursements made by the Issuer during the previous Fiscal Year. Such audit shall be furnished to the Owner of any of the Bonds who request the same.

20186

SECTION 11. Application of Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Ordinance, to cause the necessary Bonds to be printed, to issue, execute and seal the Bonds, and to effect delivery thereof as hereinafter provided. The proceeds derived from the sale of the Bonds shall be deposited by the Issuer with the Paying Agent or its fiscal agent bank or banks to be used only for the purpose for which the Bonds are issued.

SECTION 12. Bonds Legal Obligations. The Bonds shall constitute legal, valid and binding obligations of the Issuer and shall be the only representations of the indebtedness as herein authorized and created.

SECTION 13. Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the Issuer, or its successor, and the Owner or Owners from time to time of the Bonds, and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Bonds.

No material modification or amendment of this Ordinance, or of any ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the revenues appropriated, pledged and dedicated to the payment thereof by this Ordinance, or reduce the percentage of the Owners required to consent to any material modification or amendment of this Ordinance, without the consent of the Owners of the Bonds.

SECTION 14. Severability; Application of Subsequently Enacted Laws. In case any one or more of the provisions of this Ordinance or of the Bonds shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Ordinance or of the Bonds, but this Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Ordinance which validate or make legal any provision of this Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Ordinance and to the Bonds.

SECTION 15. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with the Bonds and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana."

SECTION 16. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 17. Notices to Owners. Wherever this Ordinance provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first- class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 18. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent. All canceled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 19. Mutilated, Destroyed, Lost or Stolen Bonds. If (1) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon the issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant

20188

to this Section in lieu of any mutilated, destroyed, lost or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Bonds. Any additional procedures set forth in the Agreement, authorized in this Ordinance, shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 20. Discharge of Ordinance; Defeasance. If the Issuer shall pay or cause to be paid to the Owners of all Bonds then outstanding, the principal and interest to become due thereon, at the times and in the manner stipulated therein and in the Ordinance, then the covenants, agreements and other obligations of the Issuer to the Owners shall be discharged and satisfied. In such event, the Paying Agent shall, upon the request of the Issuer, execute and deliver to the Issuer all such instruments as may be desirable to evidence such discharge and satisfaction and the Paying Agent shall pay over or deliver to the Issuer all moneys, securities and funds held by them pursuant to the Ordinance which are not required for the payment of Bonds not theretofore surrendered for such payment.

Bonds or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if they have been defeased pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, or any successor provisions thereto

SECTION 21. Successor Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Ordinance is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a resolution or ordinance giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 22. Tax Covenants; Arbitrage. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Code and any amendment thereto in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds."

SECTION 22. Reserved.

SECTION 23. Disclosure Under SEC Rule 15c2-12. It is recognized that the Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c-2-12(b) of the Securities and Exchange Commission [17 CFR '240.15c2-12(b)], because:

- (a) the Bonds are not being purchased by a broker, dealer or municipal securities dealer acting as an underwriter in a primary offering of municipal securities, and
- (b) the Bonds are being sold to a single purchaser (*i.e.*, no more than thirty-five persons), which (i) has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of the Bonds and (ii) is not purchasing the Bonds for more than one account or with a view to distributing the Bonds.

SECTION 24. Publication; Recordation. A copy of this Ordinance shall be published immediately after its adoption in one (1) issue of the official journal of the Issuer; however, it shall not be necessary to publish any exhibits hereto so long as such exhibits are available for public inspection during regular business hours and such fact is so stated in the publication.

SECTION 25. Award of Bonds. The Request for Proposals distributed to potential purchasers of the Bonds and the information contained therein, along with all other actions taken in connection with the sale of the Bonds, are hereby ratified and approved. The Issuer hereby accepts the offer of the Purchaser to purchase the Bonds, attached as Exhibit "A" hereto. All the provisions of said offer not otherwise addressed herein are incorporated herein by reference, and the Issuer acknowledges and accepts the statement by the purchaser contained in the paragraph entitled "Role of Purchaser" therein. The Bonds shall be delivered to the Purchaser upon the payment of the principal amount thereof.

20190

SECTION 26. Compliance with Ordinance Authorizing Outstanding Parity Bonds. The Issuer finds and determines that it is in compliance with all covenants and undertakings required in the ordinance authorizing the Outstanding Parity Obligations.

SECTION 27. Post-Issuance Compliance. The Executive Officers and/or their designees are directed to establish written procedures to assist the Issuer in complying with various State and Federal statutes, rules and regulations applicable to the Bonds and are further authorized to take any and all actions as may be required by said written procedures to ensure continued compliance with such statutes, rules and regulations throughout the term of the Bonds.

SECTION 28. Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 29. Effective Date. This Ordinance shall be effective immediately upon adoption.
