## PRESS RELEASE

**September 22, 2025**

**The Iberia Parish Mosquito Control District will conduct aerial operations tonight (9/22) and Tuesday evening (9/23) to address persistent mosquito populations and prepare for weekend outdoor activities associated with the Sugarcane Festival.** It is imperative that citizens follow these simple guidelines recommended by our District and the CDC. Wear repellent as the label directs, avoid activity at Dawn & Dusk, wear light colored clothing to cover exposed skin and eliminate mosquito breeding sites near the home!

Weather permitting aerial operations will begin near sunset and last approximately one (1.0) hour.

**Tonight (9/22) Jeanerette.** Operations will include Jeanerette, Big John Rd., Hubertville, LaMaire airport, Burleigh Rd. and all points in between.

**Tuesday (9/23) Coteau.** Operations will include Acadiana Regional Airport, Coteau Rd., Freetown Rd., Isle of Iberia, Sugarena and all points in between.

**During this period, only hypersensitive individuals or persons that wish to avoid all exposure to chemicals in the designated spray area should refrain from outdoor activities; otherwise, all other citizens can proceed with normal outdoor activities!**

**Citizens will notice low flying aircraft --- If the aircraft is overhead DO NOT attempt to follow the path of the aircraft. The aircraft is traveling quickly and will be out of the area in a brief period!**
