And the motion was declared adopted on this the 28th day of October, 2025.

A report was given by Scott Landry of Statewide Electrical Services, LLC, on the operation and maintenance of Plant 3 for the month of October 2025. Preventative maintenance was performed in several areas of the plant. Drained and rinsed CCC #2, installed heat strips on EPW air lines and wrapped piping to prepare for winter, built crossover manifold for the belt press and supinating line, and installed a fan and vent on the control box for flowmeter battery backup. Four hundred ninety-three thousand five hundred (493,500) gallons of sludge have been wasted from September 18th through October 20, 2025.

A report from Darius Colar with Statewide Electrical Services, LLC was reviewed for the month of October 2025 for the operation and maintenance of the District's field. All work for the month was primarily routine operation and maintenance. Service was performed at several lift stations, including replacing the motor starter at Orange Grove Front, installing a new Liberty pump and float at Oak Creek, and replacing the blower belt at New Horizon. The vacuum truck was used at Aggreko and Westend Lift Stations.

A report from Staples Engineering: Some bids for the UL project came in under budget and Notice of Award has been issued to Southern Constructors. The Hwy 90 project is about 30% complete.

The Director gave his report: The Board was informed that a Notice of Potential Penalty was received from the Department of Environmental Quality. Construction for the subdivision project through the Water Sector Program is in progress and remains on schedule for completion in late March to early April 2025. A Notice to Proceed has been issued to Southern Constructors for upgrades to the Tete Bayou Wastewater Treatment Plant, also funded through Water Sector Program grant proceeds.

It was moved by Darby, seconded by Labauve, that the Board of Supervisors of Sewerage District No. 1 does hereby approve a resolution allowing the Executive Director to begin preliminary steps in acquiring the sewerage treatment system at Thibodeaux Mobile Home Park, LLC located at 6711, 6719, and 6805 Fremin Road through act of dedication. All necessary documents, surveys, and approvals must be met before final acceptance into Sewerage District No. 1 of Iberia Parish's collection system.
