[IBERIA PARISH, LA – September 22, 2025] **Iberia Parish President M. Larry Richard** advises motorists that beginning on Monday, September 29, 2025, Glenn Lege Construction, LLC must close South Lewis Street to thru traffic between Oil Center Drive and Briarwood Drive in New Iberia, Iberia Parish.

This closure is located approximately 0.16 miles north of the intersection of Weeks Island Road (LA 83) and 0.44 miles south of the intersection of Admiral Doyle Drive (LA 674) and is necessary to replace six (6) culvert cross drains. After the cross drains are complete South Lewis Street will receive asphalt repair and overlay between the City Limits and Oil Center Drive.

The closure is anticipated to last approximately six (6) weeks weather permitting.

North & South Bound Detour Route will be Weeks Island Road (LA 83) to Center Street (LA 14) back to Admiral Doyle Drive (LA 674). Detour signage will be in place.

South Bound Detour Route will be Admiral Doyle Drive (LA 674) to Center Street (LA 14) back to Weeks Island Road (LA 83). Detour signage will be in place.

Detours for Businesses & Residence between Briarwood Rive and Oil Center Drive will be updated as work progresses.

Iberia Parish Government appreciates your patience during construction and reminds you to please drive with caution through the construction site and be on the lookout for signs, work crews and their equipment.

Area residents should exercise caution when driving, walking, or biking near an active construction zone.
