Contact: Cyndi Provost

Executive Assistant to Iberia Parish President Richard

(337)365-8246 - cprovost@iberiagov.net

IBERIA PARISH, LA – February 13, 2026, **Iberia Parish President M. Larry Richard**, advises motorists beginning on **Monday, February 16, 2026**, Glenn Lege Construction, LLC will start road improvements on the following road in Iberia Parish.

- **Jack Brooks Road (4400 thru 3700 block) – starting Coulee Road to a point just south of Sidney Leblanc Road.**

This section of roadway will be completely reconstructed. The existing surface will be removed and a new roadway base installed. The remaining portion of Jack Brooks Road to the Frontage Road will be patched by a separate crew in the near future. After this is completed, the entire roadway will be overlaid.

Working Time – 7:00 A.M. to 5:00 P.M. Monday through Friday and possibly on Saturday.

The reconstruction portion of the construction is expected to last approximately **2 weeks** weather permitting.

During construction it **may** be necessary at times to limit access to the construction area with road closures and traffic detours around the work area. Road closure signs, barricades and detour signs will be in place to warn and direct traffic.

Residents and drivers should anticipate time delays. The roads at times will have loose gravel and oil on the roadway.

Iberia Parish Government appreciates your patience during construction. If possible, please avoid the construction areas. Drive with caution and be on the lookout for work crews and their equipment.

Area residents should exercise caution when driving, walking, or biking near an active construction zone.
