LAWCO New Iberia/Loreauville – Critical Water Conservation Request

Louisiana Water Company (LAWCO) in New Iberia, Louisiana is urging customers in our City of New Iberia, Village of Loreauville and Iberia Parish service areas to conserve water as much as possible during this freeze event. We are at critical point of the event and are asking customers to only use water if absolutely necessary for the next 48 hours until LAWCO can return to normal operations and the system has recovered. Please stop dripping faucets and refrain from high water activities such as washing dishes and clothes until Friday or Saturday.

If you see any leaks, we ask that you call the customer service office to report them immediately.

For more information, call your customer service office at (337) 365-0002 or visit our website at louisianawater.com
