The following road will be milled and reconstructed in advance of an asphalt overlay.

Working Time – 7:00 A.M. to 5:00 P.M

This construction is anticipated to last approximately 5 weeks, weather permitting.

During construction, it may be necessary at times to limit access to the construction area with road closures and traffic detours around the work area. Road closure signs, barricades, and detour signs will be in place to warn and direct traffic.

Residents and drivers should anticipate time delays. The roads at times will have loose gravel and oil on the roadway.
