Executive Assistant to Iberia Parish President M. Larry Richard

(337)365-8246 - cprovost@iberiagov.net

IBERIA PARISH, LA – February 20, 2026, **Iberia Parish President M. Larry Richard** Iberia Parish Government advises motorists beginning on **Monday, February 23, 2026**, Glenn Lege Construction, LLC will start road improvements on the following road in Iberia Parish:

- **Monnot Road – starting at Admiral Doyle Drive to a point 1330' north of Admiral Doyle Drive.**

This section of roadway will be completely reconstructed. The existing surface will be removed and a new roadway base installed. The remaining portion of Monnot Road to the Jeanerette City Limits will be patched by a separate crew in the near future. After this is completed, the entire roadway will be overlaid.

Working Time – 7:00 A.M. to 5:00 P.M. Monday through Friday and possibly on Saturday. The reconstruction portion of the construction is expected to last approximately **3 weeks**, weather permitting.

During construction, it **may** be necessary at times to limit access to the construction area with road closures and traffic detours around the work area. Road closure signs, barricades, and detour signs will be in place to warn and direct traffic.

Residents and drivers should anticipate time delays. The roads at times will have loose gravel and oil on the roadway.

Iberia Parish Government appreciates your patience during construction. If possible, please avoid the construction areas. Drive with caution and be on the lookout for work crews and their equipment.

Area residents should exercise caution when driving, walking, or biking near an active construction zone.
