Emergency Communications Center

Public Safety Telecommunicator
Pre-Employment Packet

It is strongly encouraged that each applicant reviews this packet in its entirety prior to completing and submitting the application for employment!

Original: 12/2017 | Last Revised: 01/2024

Dear Applicant,

The Iberia Parish Communications District (sometimes “District” herein) is pleased that you have decided to complete an application for employment with our organization. The Iberia Parish Communications District provides emergency 9-1-1 call taking for the entire parish of Iberia which encompasses a population of over 75,000 citizens. Through an agreement with the Iberia Parish Fire District #1 and the New Iberia City Fire Department, the District conducts fire dispatching for both entities.

Each and every day a Public Safety Telecommunicator embarks on a new journey in their career when they log-in to their position in the District’s Emergency Communications Center. As they tighten their headset and ensure their systems are working properly, they have signaled that they are prepared to handle the worst possible situations at any given moment.

This packet has been prepared to provide applicants with essential information pertaining to the position of Public Safety Telecommunicator. The packet will further provided the applicant with an overview of the recruitment, selection, and training process of the District. Applicants are strongly encouraged to read the information in both this packet and the Application for Employment thoroughly as failure to follow and abide by instructions provided within may result in the applicant’s disqualification.

Due to a high number of expected Applications for Employment, each applicant is encouraged to provide a functional e-mail address that is checked often, if not daily, as most correspondence will occur electronically when feasible. While correspondence may occur electronically, it is important that the District make it profoundly clear to applicants that Applications for Employment will not be accepted electronically.

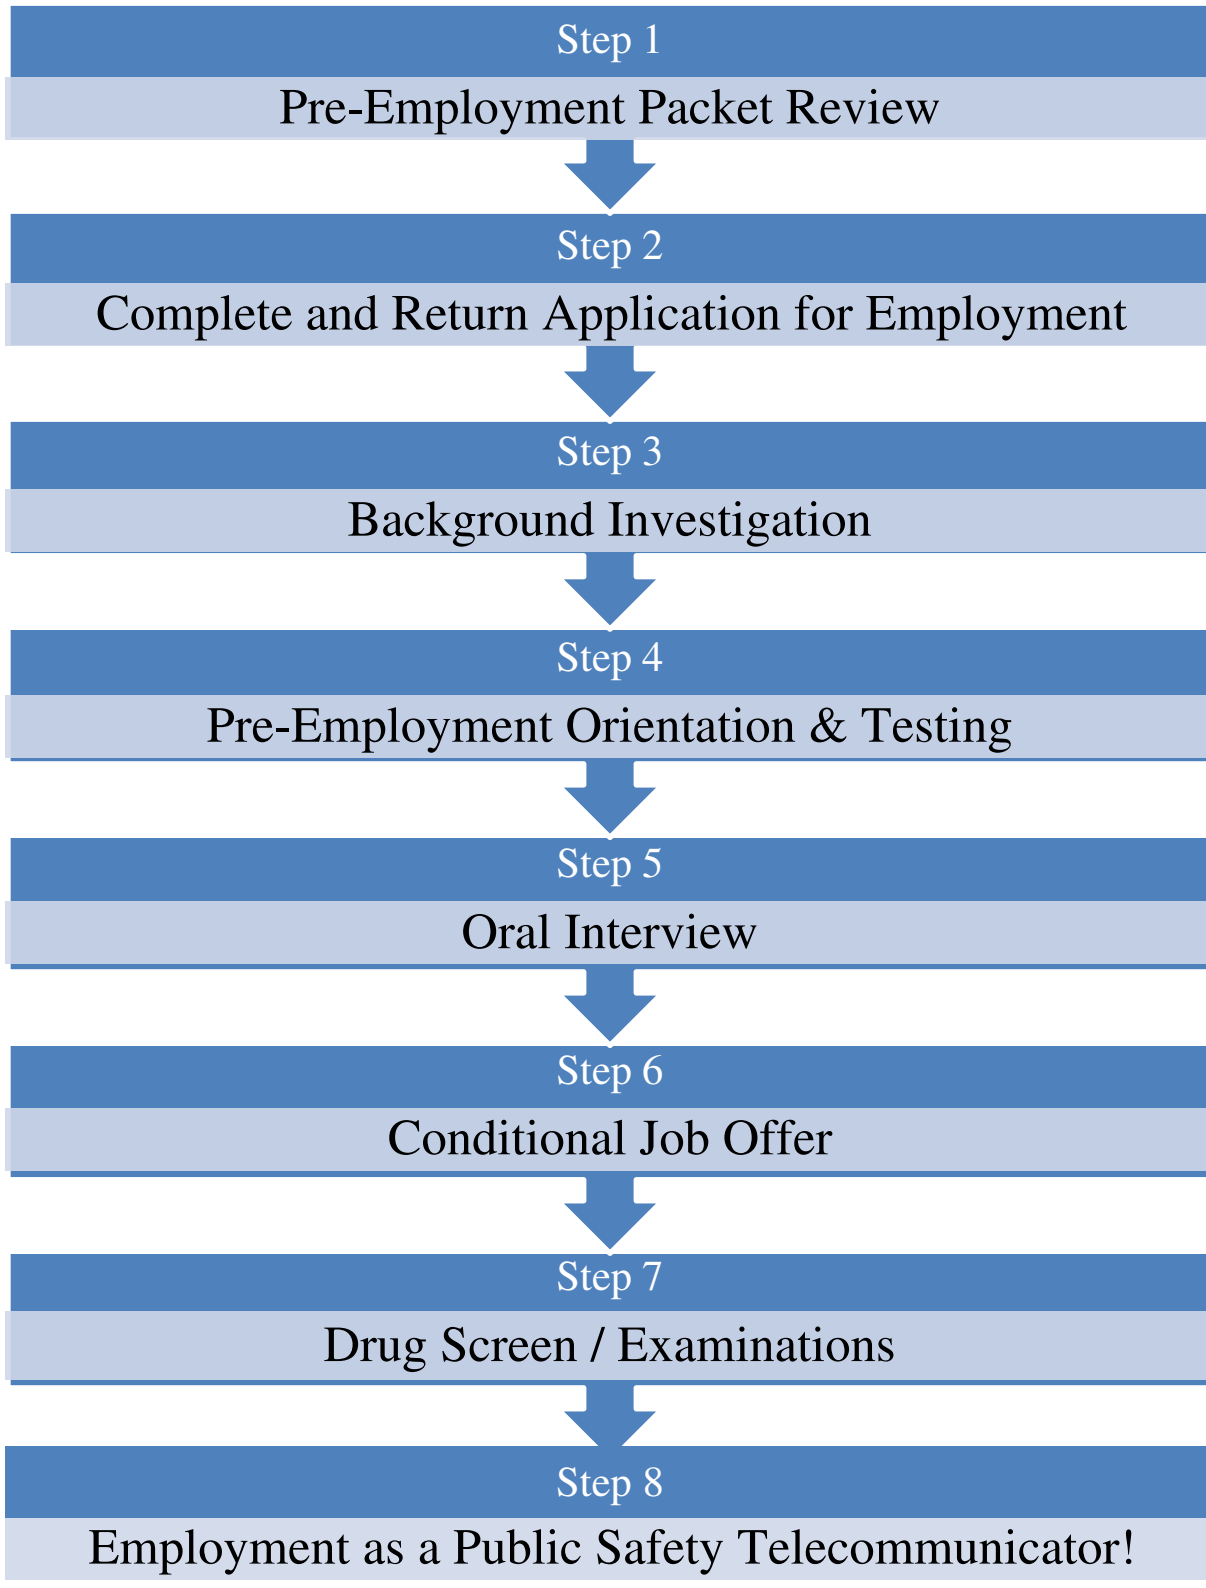

All applications are to be **submitted**, by mail or in person, to the following location:

Application for Employment Instructions and Helpful Tips

Introduction:

1. The ability to read and follow directions are major functions of a Public Safety Telecommunicator; therefore, applicants are expected to complete the District's Application for Employment with the guidance contained herein as well as within the various sections of the Application for Employment. If an applicant has a question in reference to the Application for Employment, the District's hiring process, or any other aspects of the possible employment with the Iberia Parish Communications District, the applicant is strongly encouraged to read through this entire Pre-Employment Packet prior to contacting the District for clarification. There is a great probability that an applicant's questions and/or concerns may be answered within this packet.
2. It is vitally important that all applicants be as accurate, complete, and truthful as possible on all sections of the Application for Employment.

Obtaining the Application for Employment:

1. Applications for Employment may be obtained in person from our Administrative Office, 1111 Ember Dr. New Iberia, LA 70560, Monday – Friday (excluding holidays) from 08:30 AM – 04:30 PM (excluding 12 PM – 1PM).
2. Applications for Employment may be obtained electronically from iberiaparishgovernment.com.

Completing the Application for Employment:

1. Applications for Employment may be handwritten or electronically completed.
2. Handwritten Applications for Employment must be completed completely and accurately, legibly written, and be in blue or black ink.
3. Electronically completed Applications for Employment must be completed completely and accurately. Applications for Employment that are completed electronically must be printed and the applicant shall sign and initial all required areas of the Application for Employment with a "wet signature". A wet signature is any signature affixed to a hard copy with a pen or other writing device. Sections requiring wet signatures are denoted below. Electronic signatures and initials will not be accepted.
4. Applicants should complete all sections of the Application for Employment that are applicable.

5. Applicants may provide a copy of their resume when turning in their Application for Employment; however, resumes will not be accepted in lieu of a completed application. Applicants are required to provide all responses to questions contained within the Application for Employment on the application. Applicants should not state “see resume” as a response to any request of information. This is considered an incomplete response and will invalidate the applicant’s Application for Employment.

1. All Applications for Employment, regardless of the completion method, must be submitted to the District’s Administrative Office by mail or in person.
2. Applications for Employment will not be accepted by fax or email.

Iberia Parish Communications District Selection Process

Introduction:

In order to ensure that each applicant is afforded the same opportunities, the District follows a strict selection process as defined in its policy. All elements encompassed within the selection process are designed to use only those ratings criteria or minimum qualifications that are job or industry related. Furthermore, these elements are administered, scored, evaluated and interpreted in a uniform manner within the job classification.

Prior to the beginning of the selection process, applicants shall be informed, in writing, of the following:

-  All elements of the selection process
-  The expected duration of the selection process
-  The Iberia Parish Communications District's policy on reapplication

This pre-employment packet serves as the applicant's written notification of the above listed topics.

Eligibility Requirements:

The minimum age requirements for all full-time and part-time positions are established by District policy. No employee shall be under the age of 18 years old at the time of their employment. The Iberia Parish Communications District does not set a maximum age qualification for any employment opportunities.

All positions shall require the educational requirements of, at a minimum, a High School Diploma or the equivalent (i.e.; GED). Specialized positions may require further educational or certification requirements. Any employee that is applying for the position of Public Safety Telecommunicator shall have the minimum educational requirements of a High School Diploma or the equivalent.

Applicants must possess the ability to type at least 35 Words Per Minute (WPM). The Iberia Parish Communications District reserves the right to test any applicant or employee's typing speed at any point in time. The District's Application for Employment, under Section 7, requests the applicant's typing speed. While this can be left as "unknown", an applicant may also obtain their WPM abilities from various free typing speed tests on the internet.

Applicants shall possess the ability to learn in a fast-paced environment where employees are not only expected but required to put newly learned skills to use almost immediately. It is also vitally important that applicants encompass excellent communications and basic computer skills.

Duration of the Selection Process:

The Iberia Parish Communications District is committed to the thorough investigation, review, and testing of all applicants within the selection process. Due to the extensive nature of the selection process, the duration of said process can last up to ninety (90) days. The District will make every reasonable effort to ensure that the selection process occurs in a timely but orderly fashion as prescribed by its policy.

Applicants may be selected to go through a variety of stages and may be notified multiple times of their results through each stage of the selection process. These notifications may include applicant disqualification, applicant advancement, special dates, times and locations of pre-employment orientation(s) and testing(s), and interviews. Applicants determined to be ineligible for further advancement through the selection process shall be informed in writing, through the United States Postal Service or Electronic Mail, of such ineligibility within thirty (30) days. Ineligible applicants may be entitled to re-apply after sixty (60) days if within the guidelines of District policy. Re-application and the ability to do so is discussed later in this packet.

Again, applicants will be informed of either their advancement through or disqualification from the selection process. Applicants should not assume they have been, or will be, advancing to the next stage until specifically told by a representative of the District. Moreover, applicants should refrain from contacting the District to “check the status” of their application.

Application Retrieval and Processing:

The Director of Operations for the District is tasked with receiving and processing all applications that are returned to the District or the denoted return location on or before the prescribed application deadline. Applications that are received after the deadline will not be processed and shall be disqualified from the selection process.

Important factors considered during the initial application review include but is not limited to the following:

-  Neatness
-  Completion
-  Thoroughness
-  Employment Stability
-  Minimum Qualification Establishment

Background Investigation:

A background investigation of each application will be conducted prior to any notification detailing pre-employment orientation and testing. The Public Safety Telecommunicator position

is one of character and integrity. Furthermore, in the course of the job, Public Safety Telecommunicators may be granted access to both secure and confidential information, therefore, a background investigation assists the District in choosing only those applicants who are deemed appropriate to continue to through the selection process. Should an applicant receive an unsatisfactory background check, the applicant may be disqualified from the selection process. All applicants shall have a background investigation completed to include but not limited to:

-  Verification of an applicant's qualifying credentials
-  A review of any criminal record
-  Prior employment check
-  Verification of at least three (3) personal references
-  Warrant checks
-  Computer Aided Dispatch checks of names, phone number(s), and addresses provided

Pre-Employment Orientation and Testing:

The Iberia Parish Communications District requires each applicant to attend a Pre-Employment Orientation and Testing session during the selection process. The Pre-Employment Orientation provides each applicant with information about the Iberia Parish Communications District, the Public Safety Telecommunicators role in public safety, What is a Public Safety Telecommunicator?, the Public Safety Telecommunicator's work environment, Call volume and types, the systems used by the Public Safety Telecommunicator, the selection process of the District as well as the training process for all District Public Safety Telecommunicators.

The applicant shall also be required to take a Pre-Employment Test produced by Stanard & Associates titled "The National Dispatcher Selection Test" ("NDST" herein). The NDST objectively assesses the applicant's skill level in five (5) important areas including: Reading and Comprehension, Listening, Problem Solving, Prioritizing, and Multi-Tasking. Each applicant must successfully complete the NDST test with a percentage of seventy-five (75) % or greater. Applicants should prepare to be at said sessions for approximately two and one-half (2 ½) to three (3) hours.

Pre-Employment Orientation and Testing sessions are mandatory and the District is not required to hold more than one (1) of each per selection process. Failure to attend said session(s) will result in the applicant being disqualified from the selection process.

As a note, the District generally conducts both the Pre-Employment Orientation and Testing on the same date with the orientation being first. This allows the applicant to decide whether or not they wish to continue on to the testing portion of the selection process.

Oral Interview Board:

Applicants who successfully complete the Pre-Employment Orientation and Testing Sessions will be contacted to schedule an oral interview. During this contact, the applicant will be informed of the following:

-  Interview Date
-  Interview Time
-  Interview Location
-  Directions to the Interview Location
-  Interview Expected Duration

Conditional Job Offer:

Those applicants that are successfully endorsed by the oral interview board will be forwarded to the Executive Director for further review and approval. The District makes it profoundly clear that an applicant is not guaranteed employment throughout any portion of the selection process. This includes satisfying the prescribed requirements discussed within this packet. Upon Executive Director approval, the Director of Operations will contact the selected applicants to offer further instructions to the applicant on how to move forward with the process.

It should be noted that employment is contingent upon the successful completion of a medical examination, drug screening, and extensive training period.

Applicant / Application Disqualification:

As discussed throughout various portions of this packet, Public Safety Telecommunicator applicants may be disqualified at any time during the selection process when it is determined that such applicant is not qualified or suitable for the job, pursuant to District policy, or state or federal law. The criteria provided in this section are designed to serve as guidelines to assist in determining disqualification and in no way limits or bars the Iberia Parish Communications District from rejecting an applicant for any other reason that deems the applicant unqualified or unsuitable for employment. When an applicant is disqualified from the selection process, the applicant shall be notified in accordance with the District's policy. Applicant disqualification shall be communicated through one (1) of the following methods: (1) Electronic Mail, (2) United States Postal Service, (3) Telephone Communication.

-  **Position Applied for Does Not Exist:** Applicants that have a non-existent position listed as the desired position on their application for employment may be contacted and informed of such. Applicants may be eligible to re-apply for existing positions if minimum qualifications have been met for said position(s).

 **Information Omitted:** The requested information contained in the Application for Employment is utilized as a valuable tool that assists in determining the right applicant(s) for the position. The information also serves as a method for allowing the District to familiarize itself with the applicant, thus making an informed decision regarding employment opportunities. Information that has been omitted may result in the applicant's disqualification from the selection process. The omission may be as a result of the applicant attempting to hide information about themselves or may be as a result of forgetfulness, both of which are unbecoming of a Public Safety Telecommunicator.

 **Deadline Missed:** Applications for employment received after the posted deadline for the specific hiring rotation will be disqualified from the selection process.

 **Application Contains False or Misleading Information:** Applicants who intentionally include false or misleading information on their Application for Employment will be immediately disqualified from the selection process.

 **Improper Grammar / Unacceptable Spelling / Illegible Handwriting:** The nature of the District's responsibility is communications. Many documents maintained by the District are subject to public record laws and are thereby available to the public which makes a telecommunicator's work product a direct reflection of the District. Applicants who fail to utilize proper grammar or display the inability to correctly write and spell the English language may be disqualified from the selection process. Moreover, applicants whose handwriting is illegible may be disqualified from the process, as well.

 **Lack of Attention to Detail / Improper Completion:** A large part of the Public Safety Telecommunicator position is attention to detail and ensuring all relevant actions are completed throughout the course of their duties. Applicants who disregard details requested on the Application for Employment may be disqualified due to their lack of attention to detail and requested information. Lack of attention to details may involve candidates entering information in the wrong areas, omission or failure to provide information as requested.

 **Unsatisfactory and/or Unstable Employment History:** To alleviate and attempt to minimize the turnover rate for the District, applicants that are unable to establish stability in their previous employment history may be disqualified from the selection process. Moreover, applicants who have two (2) or more involuntary terminations and/or discharges from employment within the last five (5) years (not including terminations resulting from business ceasing operations or resulting from being laid off from a position of employment), Post-probationary termination or resignation in lieu of discipline from any criminal justice related employment may also disqualify an applicant from the application process. The District requires all District Members to adhere to and abide by several codes of conduct and ethical guidelines and standards. To that end, applicants who have been released from employment due to abuse of a position of trust through theft of time or services, any pattern of repeated abuse of authority, lack of

respect for authority or law, or lack of respect for the dignity and rights of others may be disqualified from the selection process. The District acknowledges that all District Members have a right to work in an environment that is free of harassment and discrimination and therefore, any applicant who has been released from employment or has a history of engaging in an act of discrimination or harassment of any kind may be disqualified from the selection process.

 **Applicant Non-Responsiveness:** The District notes in various portions of this packet that the applicant should provide methods of communications, such as email, that is checked regularly, if not daily. Any time an applicant becomes non-responsive to the requests or notifications of or from the District may result in the disqualification of the applicant. Instances may include but are not limited to: failure to respond or attend pre-employment orientation and testing sessions, failure to respond or attend oral interview boards, failure to respond or attend conditional job offer meetings, failure to respond, attend, or successfully pass a drug screen, failure to respond or attend to any other aspects required within the selection process.

In accordance with District Policy and all relevant laws, no applicant will be disqualified from the selection process based on age, race, sex, creed, color, religion, sexual orientation, veteran status, ADA-protected disabilities, marital status, national origin or ancestry, or any other status or characteristic covered by federal, state, or local law.

Reapplication and Retesting:

Reapplication, retesting, and reevaluation of applicants not hired or promoted throughout the selection process on previous attempt(s) is permitted after sixty (60) days as long as nothing in the applicant's history indicates unfitness for employment or duty. Applicants will be advised of their eligibility of such re-application upon notification of the decision not to employ or promote the applicant through the selection process. Reapplication and retesting sessions are scheduled based on actual or forecasted vacancies within the Iberia Parish Communications District.

Unfitness for employment or duty includes a variety of factors, including but not limited to:

-  The applicant has made false statement(s) of material fact(s), or intentionally misled the Iberia Parish Communications District by placing false information on his/her application or supplements thereto;
-  The applicant has committed, or attempted to commit, a fraudulent act during any stage of the selection process;
-  The applicant is an illegal alien not legally permitted to work in the United States;

- 🎧 The applicant lacks credibility as a witness in a court of law, is unable to give testimony in a court of law without being subject to impeachment due to his/her honesty or veracity (or their opposites);
- 🎧 Revelations of continuous unacceptable drug usage;
- 🎧 Discovery of unsatisfactory criminal record;
- 🎧 Other factors considered to be unbecoming of an Iberia Parish Communications District employee.
