Applicant is responsible for maintaining existing conditions of the Public Right-of-Way (i.e. ditch grade, roadway shoulder and roadway) during construction activities as it relates to this Permit. Applicant is not allowed to damage and/or alter ditches, store construction material and equipment that may cause damage to and/or alter the Public Right-of-Way. Iberia Parish reserves the right to inspect permitted sites at any given time and upon written notification the Applicant will have 10 calendar days to correct noted deficiencies. Construction plans are to be on site during scheduled inspections. Failure to provide construction plans upon request will result in a rejected inspection.

Failure to correct noted deficiencies will result in the suspension of all construction-related inspections until noted deficiencies are corrected and approved by the Public Works Department.

My signature below certifies that I am aware of my responsibility and liability as the permit purchaser to comply with: all applicable building codes; City, Parish, State, and Federal regulations and requirements; insurance coverage for workers, building and contents, general public and occupants of the building, etc.

I agree that the building will not be occupied until a Certificate of Occupancy has been issued by the Iberia Parish Planning and Zoning Department. I further understand that violation of any of the above may result in revocation of this and contingent permits and disconnection of electrical power and/or other utilities to the building.

The undersigned applicant hereby represents that he has performed the necessary research to ascertain the existence and location of all servitudes, easements, setbacks, restrictive covenants, building restrictions, deed restrictions and other matters which may have an impact or effect upon the site which construction is to be made pursuant to this permit.
