IBERIA PARISH, LA – February 25, 2026, **Iberia Parish President M. Larry Richard** advises motorists beginning on **Monday, March 2nd, 2026**, Elliott Construction, LLC will start road improvements on the following roads in Iberia Parish.

The following roads will receive cross drain replacements.

- **Wanda St** – between S End and Joey St
- **Ronald Cir** – between Joey St and Joey St

Working Time – 7:00 A.M. to 5:00 P.M. Monday through Friday and possibly on Saturday. This construction is anticipated to last approximately **2 weeks**, weather permitting. The public will be re-notified before the road is to be reconstructed and overlaid.

During construction it **may** be necessary at times to limit access to the construction area with lane closures, road closures and traffic detours around the work area. Closure signs, barricades and detour signs will be in place to warn and direct traffic.

Residents and drivers should anticipate time delays. The roads at times will have loose gravel and dirt on the roadway.

Iberia Parish Government appreciates your patience during construction. If possible, please avoid the construction areas. Drive with caution and be on the lookout for work crews and their equipment.

Area residents should exercise caution when driving, walking, or biking near an active construction zone.
